8: Experimental Lager

Defined as any lager that is primarily grain-based and employs unusual techniques and/or ingredients. Beers not easily matched to other existing categories in this competition would be appropriately entered into this category. To allow for accurate judging the brewer must identify the classic style, experimental style, processes and/or ingredients used to make the beer unique.

9: Holiday beers:

Any style beer brewed specifically for the holiday season. Examples, but not limited to; Pumpkin Beer, Christmas beer, Spiced Beers, Winter Warmer...
