

# MAX LAGER'S HOUSE BREWS

## MAX PUMPKIN WIT

A Belgian inspired ale made with roasted pumpkin, Belgian candi sugar and spiced with coriander, ginger, clove & cinnamon; fermented with a Trappist ale yeast.  
*IBU 18 ABV 7.5 O.G. 18 Plato 6*

## MAX ABBEY

*Max Abbey is a Belgian style Dubble. It uses almost twice the malt of our standard beers, producing a nut-like malt flavor, Additions of dark Belgian "Candi" sugar increases the gravity and color of the beer and gives a sweet finish. What really gives the beer its unique flavor is the special yeast used that we "borrowed" from one of the Trappist Abbeys.*  
*IBU 15 ABV 9% O.G. 19 Plato 6*

## HOPSPLOSION!

Intensely hoppy India Pale Ale with a toasted malt backbone to back up a citrusy/spicy finish from aggressive hopping with a blend of hops from the Pacific Northwest. *IBU 70 ABV 6.5% O.G. 14° Plato 6*

## MAX OKTOBERFEST

A classic German-Style lager, Oktoberfest has a rich toasted malt character with a clean dry finish. Oktoberfest is traditionally brewed in March (Marzen), laid down to age through the summer then joyfully served during the Oktoberfest Celebration in the Early Fall. *IBU 22 ABV 7% O.G. 15 Plato 6*

## MAX GOLD

*'Let the Gold Rush Begin!'*

A Bohemian Pilsner style lager, this classic beer style has a medium body and beautifully rich gold color. *IBU 40 ABV 5.5% O.G. 12.8° Plato 5*

## NORTH SHORE ALE

I recently found myself reminiscing with an old friend of mine about a beer made by a very small brewery on the North Shore of Boston. We celebrated the light, yet complex malt character and the perfectly balanced hop finish. Not quite a porter and more that Brown ale we couldn't decide what to call it. The Brewery called it "Dark Ale". This is my tribute to that much beloved beer of my years in Boston. - JR  
*IBU 45 ABV 7% O.G. 15.8 Plato 6*

## MAX TAP ROOT

Our own root beer, *brewed the old fashioned way!* 3
